PATENT

Docket No.: 4204.7-1

The undersigned representative of the above-identified assignee certifies that the above-identified assignee is the assignee of the entire right, title and interest in the above-identified patent application by virtue of a chain of title from the inventor of the above-identified patent application to the above-identified assignee as shown below:

Assignment from John D. Schellenberg to Picker International, Inc.

Recorded November 25, 1996 at Reel 8339, Frame 0264;

Assignment from Marconi Medical System, Inc., formerly Picker International, Inc. to Z-Kat, Inc.

Assignment not yet recorded; a copy is attached.

The undersigned has reviewed all the documents in the chain of title of the above-identified patent application and, to the best of the undersigned's knowledge and belief, title is in the above-identified assignee. The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the above-identified assignee.

The undersigned hereby declares that all statements made herein of the undersigned's own knowledge are true; and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Executed this 30<sup>th</sup> day of APRIL, 2002.

## ASSIGNMENT

WHEREAS, Marconi Medical Systems, Inc., formerly known as Picker International, Inc., a New York corporation ("Marconi"), owns, by assignment, an interest in patents and patent applications identified on the attached Exhibit A ("Patent Rights"), and the inventions disclosed and/or claimed therein ("Inventions"); and

Z-Kat, a Florida corporation (AZ-KAT®), desires to own all of MARCONI's right, title, and interest in and to the Inventions in all countries throughout the world and the Patent Rights.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, MARCONI hereby sells, assigns, transfers, and sets over to Z-KAT, its lawful successors and assigns, all of MARCONI's right, title, and interest in and to the Patent Rights, the Inventions, all Letters Patent of the United States that may be granted thereon, and all continuations, divisionals, continuation in parts, reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for patents that may be filed for the invention in any foreign country and all patents that may be granted on the invention in any foreign country, and all extensions, renewals, and reissues thereof; and MARCONI hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the Inventions to Z-KAT, its successors and assigns, in accordance with the terms of this Assignment;

AND, MARCONI HEREBY further covenants that MARCONI will take all action and execute all documents necessary to perfect the interest assigned hereby, and MARCONI has not executed and will not execute any agreement in conflict with this Assignment;

AND, MARCONI HEREBY further covenants and agrees that MARCONI, through its officers and employees, will, without further consideration and upon reasonable request of Z-KAT and its successors and assigns, communicate with Z-KAT, its successors and assigns, any facts known to MARCONI and its officers and employees respecting the Inventions and testify in any legal proceeding, sign all lawful papers when reasonably called upon to do so, execute and deliver all papers that may be reasonably necessary or desirable to perfect the title to the Inventions in Z-KAT, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do all reasonable acts to aid Z-KAT, its successors and assigns, to obtain and enforce proper patent protection for the Inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by Z-KAT, its successors and assigns.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
